I still think it's confusing to people though because at a restaurant if you order 10 wings you actually get 10 wing pieces, which would have come from 5 whole chicken wings. You get 5 whole chicken wings and cut them into flats and drumettes, and the result is 10 wing pieces. I've gone in and edited the recipe and the post above to be very specific about the amount of wings involved ...

Port Manteaux churns out silly new words when you feed it an idea or two. Enter a word (or two) above and you'll get back a bunch of portmanteaux created by jamming together words that are conceptually related to your inputs.. For example, enter "giraffe" and you'll get back words like "gazellephant" and "gorildebeest".
