“Every few years, a book comes along that teaches readers of memoir how to read and writers of memoir how to write. Calling Sarah M. Broom’s The Yellow House a memoir feels wrong. Somehow, Broom created a book that feels bigger, finer, more daring than the form itself. The Yellow House literally taught me how to read and write. I will never ...

Turning toward our house on the hillside, I see movements of a different kind, tall shadows stiffly pushing through the currents. My brothers are awake, testing the weather. I imagine my mother at the stove, hovering over bran pancakes. I picture my father hunched by the back door, lacing his steel-toed boots and threading his callused hands into welding gloves. On the highway below, the ...

But the epic construction projects for which Banneker helped plant the first stake were carried out heavily on the backs of enslaved laborers – people of common descent who were explicitly denied those ideals. In this sense, Banneker lived at the center of conflicting stories about the founding of the United States, a contradiction that Washington, D.C. epitomized. Moreover, his interactions ...
